

ABMSAC 110th ANNIVERSARY MEET - KLOSTERS, SWITZERLAND

Friday 5th July to Monday 15th July 2019

Next summer's hotel meet will celebrate the 110th anniversary of the club in Klosters, eastern Switzerland. Since this is a special occasion the meet will run for the longer period of ten days, and it is hoped that everyone will make the effort to stay for the duration.

Klosters is an attractive small alpine resort situated at 1200m at the foot of the Silvretta range of mountains, just a short distance from Davos. It is an excellent centre for walking, climbing and mountain biking, with an enormous number of trails starting from Klosters itself and its unspoilt side valleys, as well as from the top of the lifts. The Engadine can be reached by train through the Vereina tunnel or by car over the Flüela pass. Klosters is easily accessed from the UK, the nearest airport being Zurich, about 2 hours by train.

A bonus is that next summer all hotel reservations include the Davos-Klosters guest card with free use of lifts, local buses and trains in the region. Six lifts are included, two starting in Klosters and four in Davos. The guest card also includes free participation in the Davos-Klosters Active Programme, which offers a wide range of sporting and cultural activities such as guided hikes; introductory courses to sailing, windsurfing and horse riding; and a taster paragliding day.

Accommodation has been reserved at the 4* Hotel Piz Buin in Klosters-Platz, in a central yet quiet location near the Landquart river. There is a bus stop outside the door and the train station is just a short walk away. The hotel has a comfortable lounge area, outside terrace-bar, large indoor swimming pool, fitness area and free underground parking. All rooms are ensuite and are large and spacious, with a sitting area and balcony.

The cost for dinner, bed and breakfast in a double/twin room (42-46m²) is CHF1045.00 per person, and the cost in a single room (28 m²) is CHF1100.00 per person.

A stay of a minimum of 7 nights within the 10-day period is possible. However, priority will be given to those booking for 10 days, and the hotel prefers everyone to arrive on the same day at the start of the meet.

There will be a special anniversary dinner at the hotel on the night of Saturday 13th July, which any members in the area are invited to attend. The cost for those not staying in the hotel is CHF50.00, and prior reservation is necessary.
