ASSOCIATION OF BRITISH MEMBERS
OF THE
SWISS ALPINE CLUB

*The Annual Report, Accounts and Balance Sheet
for 1935.*

THE OBJECTS OF THE ASSOCIATION, &c.

The Association of British Members of the Swiss Alpine Club was founded in 1909, with the main object of encouraging climbers and walkers in this country to join that Club. The S.A.C. (to give it its usual abbreviation) is nearly as old as the Alpine Club itself, and for over half a century has gone on steadily with its work of making the Alps accessible to climbers and others, in particular by building the 90 or more Club Huts which now exist. Before this Association came into being there had been many British members of the Club. But these were the exceptions rather than the rule, partly because the average British climber had no idea how to join, and partly because it did not occur to him that there was any point in doing so. But among those who were members, there were some who felt that such a state of affairs ought not to continue; that if our climbers used the huts, they should do something to help to maintain them, and that by some means it should be made easy to join the S.A.C. The energy of the late Mr. J. A. B. Bruce created a strong Committee, which undertook this matter and brought this Association into being under the late Mr. Clinton Dent as President. Within two years of the start there were 300 members and their number has continued to grow. The result of our activities is that the proportion of our countrymen who climb in the Alps and are now members of the S.A.C. is very large, and most of them are also members of this Association.

At the same time it was felt that there was need for a rallying point over here for these "clubbists," and as it is not possible, by the rules of the S.A.C., for a section to be

formed outside Switzerland, as was the case with the D.Oe.A.V. (which had a section at Manchester at one time), the Association acquired a room in which its members could meet together, and took upon itself something of the functions of a Club. All these arrangements were only undertaken after consultation with the Central Committee of the S.A.C., and the latter cordially welcomed the enterprise. In addition, as it was felt that we British climbers owed Switzerland something for past remissness, the fund to build the Britannia Hut was started and the building successfully carried through by 1912.

The Association has been able, in many ways, to co-operate with our Swiss colleagues, and at times to represent to them our views on mountaineering matters. On the other hand, the Central Committee has always looked on us with the greatest favour and has dealt very cordially with anything we have put before it.

The number of members is now 499, and in size is, with the exception of the Alpine Club, probably the largest club interested mainly in mountaineering in these islands.

An analysis of the list of members shows their distribution among the various sections to be as follows:—

Atels	9	Grindelwald	27
Bern	7	Interlaken	25
Diablerets	70	Monte Rosa	44
Geneva	206	Oberhasli	19

Other Sections 27.

The membership of the Swiss Alpine Club itself is now over 30,000 in about 80 sections.

NEW MEMBERS.

29 new members have joined during the past year, but 31 have resigned or died. It is hoped that members will make every effort to secure *new candidates* for the S.A.C. and the Association.

The numbers are now :—

December 31st, 1935	530
Less Resignations, Deaths, etc., during 1935	...				31
Total, January 1st, 1936					499

Of these, 129 are Life Members, 12 Honorary Members, 302 Ordinary Members, and 56 on the Retired List.

THE ADVANTAGES OF BELONGING TO THE SWISS ALPINE CLUB.

Quite apart from the sentimental feeling that a member of the S.A.C. is helping mountaineers in the country in which he is a guest to add to the amenities of the sport, the definite material advantages are set out below.

RIGHTS IN THE S.A.C. HUTS.

Members of the Club, together with their wives, have priority of right to the sleeping places and in many huts there is a room for members only; next after members comes the ladies' Swiss Club, and then the kindred clubs, such as the French A.C. Anyone else is really in a club hut on sufferance. In addition a member pays, in most huts, only 1 franc per night, and a non-member 3 francs. Those who intend to climb have priority over others in the same category. A member may introduce his wife and children (under 20 years of age) on the same terms as himself.

It is worth remembering, in connection with projected visits to huts that while a Section may reserve a hut for its members to the extent of three-quarters of its capacity only, one-quarter is always available for others of the S.A.C. It is generally worth the trouble before going to a hut to ascertain from a local hotel-keeper whether a hut is so reserved, and if it is, to go up there early in the day. As a rule these reservations may not be made on Saturdays and Sundays. It is when one comes down to a hut on a day when it has been reserved, that the advantages of membership are most precious.

A few of the huts in Switzerland do not belong to the S.A.C., but as a rule these are run in close alliance with that Club and the special regulations make little difference to members of the S.A.C.

REDUCTIONS ON RAILWAYS.

But the matter which, perhaps, makes the greatest appeal to many people is the advantages due to the large reductions made to members on the mountain railways

(except in the Engadine). In taking a holiday in some districts a member saves, in these reductions, considerably more than his subscription to the Club.

For convenience we publish the official list of the reductions, somewhat abbreviated, from "Die Alpen," February, 1935.

These reductions, as a rule, apply only to a member, and *do not* include his wife and children.

- 50% Aigle-Leysin (33½% only on 2nd class tickets); Brunnen-Morschach-Axenstein; Chantarella-Corviglia; Furka-Oberalp; Gerschnialp (33% only on return tickets and no reduction on the descent); Gornergrat; Interlaken-Heimwehfluh; Martigny-Châtelard; Oberalp (see Furka); Ritom; Stanserhorn; Visp-Zermatt.
- 42% Arth-Rigi (includes wife and children).
- 40% Aigle-Sépey-Diablerets; Montreux-Glion, Territet-Glion, and Glion-Rochers de Naye (no reduction on intermediate stages); Sierre-Montana-Vermala.
- 33% Schöllenen.
- 31% Nyon-St. Cergue-Morez.
- 30% Jungfrau; Leukerbad; Monthey-Champéry-Morgins.
- 25% Berner Oberland; Bex-Gryon-Villars and Villars-Chésieres-Bretaye (Chamossaire); Chamonix-Montanvers; Lauterbrunnen-Murren-Allmendhubel (Seilbahn); Muottas-Muraigl; Rechtsufrige Lake of Thun Railway (for the complete circuit Thun-Interlaken); Schynige Platte; Wengernalp.
- 20% Braunwald; Brienz-Rothorn-Bahn; Martigny-Orsières; Stansstad-Engelberg; Lake of Thun to Beatenberg; Mont Blanc (St. Gervais to Glacier de Bionnassay).
- 15% Niesen.

There are also minor reductions in connection with motor-cars in one or two places.

To obtain these reductions it is absolutely necessary to present the card of membership when booking.

It is worth noting that the reductions are mostly available to members of the corresponding Ladies' Swiss

Alpine Club, so that the old feminine grievance that only the men got any reductions is now a thing of the past, if ladies will join their Swiss Club. In this connection, the Hon. Secretaries may be able to advise members how their friends of the other sex may join the ladies' club, which does not seem to be so well known as it might be. We may add that the badge of the ladies' club is a particularly attractive one.

HOW TO JOIN THE SWISS ALPINE CLUB.

It is often thought by non-members that some qualification is necessary to join the S.A.C. This is not the case. Anyone can join who can find a proposer and a seconder. The following is the procedure for anyone who wishes to join:—

Write to the Hon. Treasurer, Mr. C. T. Lehmann, 28, Monument Street, E.C.3, or to one of the Hon. Secretaries (letters should be marked S.A.C. on the envelope); in this letter the writer should state whether he wishes to join a French, German, or Italian-speaking section.

Arrangements will then be made for the joining of a particular section, and an entrance form will be sent. If the aspirant has no one to propose or second him, suitable arrangements will be made to obviate this difficulty. The entrance form, when filled in, must be returned in all cases to Mr. Lehmann, together with a small photograph, passport size, and the necessary subscription and entrance fee.

For the benefit of those who leave things until the last moment, we would point out that arrangements have been made whereby members of the Geneva and the Diablerets Sections (both of which are French-speaking Sections) can be enrolled at *this* end. This takes a week or ten days. Normally it takes about two months, as in the case of all other sections it is necessary to communicate with the local Committees.

A list of the principal sections, together with their subscriptions, will be found at the end of this report.

In addition, the subscription to the Association is £1 for Town members and 10s. for Country members. A Country member is defined under the Rules as being a member who resides outside a radius of 50 miles of Charing Cross. There is no entrance fee. Anyone who joins the Association may pay through Mr. Lehmann by sending him a Banker's Order, which is the most convenient way, or by remitting him each January the necessary subscription. The Association is willing to arrange for anyone to join the S.A.C., but only continues the remittances to Switzerland for those who join the Association as well. Life membership of the Association costs £8 8s. for Town members and £4 4s. for Country members.

CARDS OF MEMBERSHIP OF THE S.A.C.

The Swiss Alpine Club Membership Card (the buff card with the member's photograph inside) is usually issued every three years, but the new Central Committee has decided that the old cards shall continue to be available until further notice, *provided the gummed slip* with the signature of the President of the Central Committee, which has just been issued, *is affixed to the lower half of the inside cover*. It is very necessary for all members to be careful about this.

Instead of the coloured cards issued by the various Sections as receipt for the current year's subscription, membership cards have to be provided with the gummed slip (measuring about $3\frac{1}{2} \times 1\frac{1}{2}$ inches), bearing the date of year of issue. This gummed slip must be affixed to the inside of the card over the 1935 slip, and members are earnestly requested to stick it in as soon as they receive it. Last year quite a number of members forgot to do so and only noticed the imperfection of their membership card when about to go to Switzerland, and then hastily appealed for assistance to the Hon. Treasurer, who has not always a stock of these receipt slips, seeing that each Section only sends him as many slips as there are members.

Loss of Membership Card or Badge.—It is inevitable that someone or other should lose his card or badge, and this is most likely to be discovered at holiday times. If such a loss occur, it is best for the member concerned to write direct to his Section Treasurer, as our own officials are quite likely to be away at such a time, and in any case can only refer the matter to Switzerland. To avoid delay a photograph should be sent at the same time if it be the membership card that has been lost. Members of the Geneva, Diablerets and Interlaken Sections, however, can obtain new membership cards and badges straight away from the Hon. Treasurer's office. Price for new membership card is 1/-.

The price of a new badge is 2/6.

OFFICERS AND COMMITTEE.

All the officers were re-elected, and Sir William Ellis was elected a Vice-President. The following members of the Committee retired, having completed their term of office: Sir Leonard Pearce, and Messrs. Bax, Highton and Thompson. The resulting vacancies were filled by the election of Messrs. G. C. Bramley (Interlaken), E. C. Mengel (Diablerets), H. W. R. Room (Diablerets), and C. J. Tipping (Monte Rosa). Two of the co-opted Members of the Committee—Messrs. A. Duruz and G. Seligman—have also retired; Mr. Seligman's place has been filled by Sir Leonard Pearce, whilst that of Mr. Duruz has been left vacant for the time being.

FINANCE.

The Income Expenditure Account for the year 1935 shows a balance on the revenue side of £58 14s. od. in favour of the Association.

The first dividend of 20 per cent. has been paid by the Liquidators of the Banque d'Escompte Suisse. This means that approximately £19 of the loss has been recovered by the Association.

We are glad to say that the Geneva and Diablerets Sections sent us their usual contributions.

The Hon. Treasurer would remind Members that payment by January 31st considerably facilitates the work, and ensures Members getting their copies of *Les Alpes* regularly.

ANNUAL DONATION FROM GENEVA SECTION

The Geneva Section has contributed £20 towards the expenses of the Association so that members of the S.A.C. resident in this country may obtain, out of the subscriptions paid by them, some of the advantages which their Swiss colleagues enjoy, but from which we are debarred by living in this country.

THE HONORARY SECRETARIES.

The addresses of the Hon. Secretaries will be found inside the cover.

All communications concerning the Association Meetings should be sent to Mr. M. N. Clarke; other communications may be made to either Secretary.

THE HONORARY TREASURER.

All communications concerning subscriptions should be sent to the Hon. Treasurer, Mr. C. T. Lehmann, 28, Monument Street, E.C.3. Telephone: Mansion House 1214.

QUALIFICATION FOR MEMBERSHIP.

The necessary qualification for membership of the Association is membership of the Swiss Alpine Club but life members of the Association who have retired from the S.A.C. may remain as members of the Association, but they may not hold office or vote at meetings.

SUBSCRIPTIONS.

The Association undertakes to collect and forward members' subscriptions to Switzerland, but it is a very

great convenience and saving of trouble to the Honorary Treasurer if members give him a Banker's Order for whatever is due to their section. Those who do not do so should take care to send their subscriptions in *promptly on January 1st*, as the sections expect early payment and are apt to strike late payers out of their lists early in the year. **Resignations must be sent in before December 31st.**

THE CLUB ROOM AND LIBRARY.

The Library and Club Room are now at Room 121 at the Hotel Great Central. This room, which is available at all times, is on the first floor, and is best reached by the entrance from Marylebone Station. The key may be obtained on application to the Reception Office. **Members are particularly requested not to forget to return the key to the Reception Office before they leave the Hotel.**

A list of books in the Library is printed elsewhere in this Report, and the Hon. Librarian will be glad of suggestions as to additions. Books may be borrowed and any borrower should enter his name in the book provided for the purpose. **Guide books and Maps, however, are not to be taken away.**

CLUB NOTES.

The year which has just finished has been, for the Association, very much like the previous one. Our numbers, however, are still shrinking, and, even though our total is only 2 less than it was this time last year, the unpleasant fact remains that it has now fallen below 500; in other words we have gone back to where we were at the end of 1923. Granted that we are living in difficult times, but, even taking everything into consideration, there is no reason why our numbers should not be over 600. If only every member living in or near London would make a special effort to secure *one* recruit for the Association during the next twelve months we should see a vast improvement. Surely this should not be difficult. Further, whenever a member were to intimate his intention of resigning from the Association surely it would not be too much to ask of those who proposed and seconded him for membership that they should try and prevail upon him to reconsider his decision; for such a member might be inclined to listen to his climbing companions when, perhaps, he would not be prepared to listen to the officers of the Association. In this way it might perhaps be possible to stop the rot.

The present state of affairs is due to apathy, coupled with the mistaken idea that no one with an income of less than £5,000 a year can afford to spend a summer holiday in Switzerland; and a lot of people argue that as Switzerland is out of the question it is no use joining the Swiss Alpine Club and consequently the Association. It is true that a member travelling to Switzerland by himself might find things rather expensive; but if two members go together and share expenses they will find that, without stinting themselves, they can have a most enjoyable holiday for very little more than it would have cost them prior to 1931. Considerable saving can be effected by making use of the reductions offered by the Swiss Federal Railways; much can be done by negotiation with both hotel keepers and guides, and a tactful suggestion to the hotel proprietor has often been known to secure some slight reduction in the price of certain extras. It is of course as well to remember before ordering one's wine—and not afterwards—that the value of the franc

is no longer 9½d., but 1s. 4d.; but even so it is still possible to get a good bottle of wine for no more, and in some cases less, than wine of a similar quality would cost in England.

Like many other clubs and societies the Association suffers badly from apathy, the main example of this being the apparent unwillingness of members to suggest suitable subjects for the monthly discussions notwithstanding repeated requests by the Committee. Members apparently fail to realise that not only is it necessary to have a full list of subjects for the year but that it is also necessary to have a reserve list in case any of the speakers drop out at the last moment; further that in order to secure good attendances it is absolutely essential that the subjects for these discussions shall be announced well in advance. The meetings of at least one other club have been killed by apathy and we can only hope that our monthly discussions will not meet with the same fate. This need never occur if only members will wake up and take a little more interest in the doings of the Association.

We much regret to have to record the deaths during the past year of the following members:—Messrs. R. W. Brant, J. W. Drummond, F. N. Ellis, F. R. Lovett, R. W. Wynn, and Rev. H. J. Barton Lee.

The monthly discussions, which were started in October, 1930, were continued throughout the past year, and have now become not merely one of the regular but one of the most popular features in the life of the Association. Most of them were illustrated by lantern slides. A detailed list is set out below:—

January 9th—"Ways and Means in the Alps" (The President).

February 13th—"The Dent du Midi Group" (The Hon. Treasurer).

March 13th—"Accidents and how to prevent them" (W. M. Roberts and others).

April 10th—"Alpine Equipment" (General Bruce).

June 12th—"Climbs in the Tarrentaise" (T. A. Peacocke).

October 9th—"The Swiss Dolomites" (G. C. Bramley).

November 13th—"Arolla, 1935" (R. P. Mears).

December 4th—"Engelberg as a Climbing Centre"
(M. N. Clarke).

The attention of members is drawn to the List of Meetings for 1936 which was issued at the end of November and is reprinted elsewhere in this report.

The Easter Meet was held at Coniston from April 18th to April 23rd, and 16 members and friends turned up. The weather was, for the Lake District, extremely good, and some excellent climbing was obtained on Dow Crag—three or four parties being out each day; for those who did not wish to climb there was excellent hill walking. The only drawback was the hotel, which left much to be desired.

The 1936 Easter Meet will take place, as already announced, at Thornythwaite Farm, Borrowdale, from April 9th to April 14th. Further details will be issued later.

A joint meeting was held with the Ski Club of Great Britain and the Alpine Ski Club on Wednesday, May 8th, when Wing Commander E. B. Beauman read a paper on "The Coast Range of Western Canada," illustrated by lantern slides. Once again, through the kindness of the Committee of the Alpine Club, we were able to hold it in the Alpine Gallery. The chair was taken by Sir Eric Holt-Wilson, President of the Ski Club of Great Britain, and 130 people were present.

The Annual Dinner in Switzerland was held at the Hotel Schweizerhof, Kandersteg, on Tuesday, August 13th. The President was in the chair and nearly 30 members and guests were present, including several ladies. We were glad to welcome so many of our Swiss friends, amongst whom were Monsieur de Riedmatten (Secretary of the Central Committee), Monsieur Graaf (Treasurer of the Geneva Section), accompanied by Madame Graaf, Dr. Steffan and Herr Ludi, representing the Altels Section, and Monsieur Raoul Escher, from Brigue. We also were very pleased again to have the pleasure of the company of Dr. Dubi, our Honorary Member who, in spite of advancing years, had specially made the journey from Bern. The Reverend F. L. Schreiber, English

Chaplain at Kandersteg, was also among the guests. After dinner the party proceeded to the Dance Hall of the Hotel Schweizerhof, where a most enjoyable evening was spent. Once again we are most indebted to Herr Trog for the excellent dinner and the admirable arrangements which enabled us to spend such an enjoyable evening. We are more than ever convinced of the great value of these dinners, which give us an opportunity of getting into closer contact with our Swiss friends.

An English Edition of the "Technik des Bergsteigens"—a handbook published in 1929 by the Uto Section—has been brought out by the Association. This is a little book which should be in the hands of every climber, and the Committee have decided to issue a free copy to each member; additional copies may be obtained from the Hon. Librarian, post free, on payment of 2s. 6d.

The Association are much indebted to Mr. E. A. M. Wedderburn, and others, who assisted in the publication.

The question has more than once been mooted of the possibility of getting the reduced fares to Switzerland which are available when a large enough party goes on the same day. The difficulty is, of course, that of fixing a day on which to travel, and of a place to go to, if a further suggestion that the Association should have a "Meet" and thereby get reductions in hotel accommodation, is also carried out. So far the idea has not been popular, but it would be valuable to the Hon. Secretaries if members could let their views be known, especially those members not living in London.

The City Swiss Club once more honoured us by inviting our President to reply to the toast of "The Guests" at their annual banquet in November, but unfortunately he was prevented from attending at the last moment. We were, however, very pleased to welcome their President to our Annual Dinner on November 27th.

We consider it a great privilege to be on such friendly terms with the City Swiss Club, and we value this connection with Switzerland very highly.

The Hon. Librarian represented the Association at the Dinner of the Midland Association of Mountaineers in Birmingham last spring. There he was entertained with that lavish hospitality for which the M.A.M. are so justly famed, and he had an extremely enjoyable week end.

The Association was represented by our ex-president (Mr. W. M. Roberts) at the Annual Dinner of the Mountaineering Section of the Camping Club of Great Britain and Ireland last January. The Dinner was held at the Comedy Restaurant—our old headquarters—and was a most enjoyable function.

We should like to offer our heartiest congratulations to Sir Leonard Pearce upon receiving the honour of Knighthood.

The Hon. Librarian reports that about 70 books were borrowed by members during the year. The following additions have been made to the Library:—

Guide to Pyrenees	(Packer)
Mont Blanc	(Hudson)
Romance of Mountaineering	(Irving)
Climbing Days	(Pilley)
Walking in the Grampians	(Plumb)
Drawing from Nature	(Barnard)
Over the Sea and Far away	(Hinchliff)

The two last-named books, together with a framed picture of Zermatt, by George Barnard, have been presented to the Association by Sir W. B. Griffith; the picture now adorns the wall of the Club Room. A large wall map of the entire Alps has also been hung in the Club Room.

During the year, the Hon. Librarian has received the publications of the following Clubs:—Alpine Club, Climbers'

Club, F. & R.C. Club, Alpine Ski Club, Ski Club of Great Britain, Scottish Mountaineering Club, Mountain Club of East Africa, Club Alpino Italiano, Midland Assoc. of Mountaineers, Ladies' Alpine Club, S.A.C., C.A.F. and the Mountaineering Journal.

The Hon. Librarian is always pleased to post books to members who are unable to visit the Club Room.

Members are invited to avail themselves of the "Hotel Book" (which will be found in the bureau in the Club Room), for recording their comments on the various hotels which they may have come across in the course of their travels. This book is intended to be used both for commendation and for commination.

We should again like to take this opportunity of expressing our great appreciation of the hospitality which has been extended to us by our friends of the Ladies' Alpine Club during the past year. They have again sent us tickets for most of their lectures, and these were greatly appreciated by those of our members who went; they also sent us tickets for their excellent exhibition of Alpine paintings. This year again they invited several of our officers to their annual dinner.

We were very pleased to be able to welcome the officers of the Ladies' Alpine Club to our Ladies' Night Dinner last February, and we are again very much looking forward to having the pleasure of their company on March 25th.

SUMMER HOLIDAYS, 1936.

The Hon. Secretaries will be glad to hear from any members who wish for help in making up parties for the Alps or elsewhere. It is not possible for the Association officials to organise parties, but they are quite prepared to put members in touch with one another when they can, and this has often been done in the past. The monthly dinners for those who can attend them are, of course, an admirable opportunity for making summer arrangements, and if members who are short of climbing companions will

acquaint the Secretaries beforehand, something can often be done in the way of introductions at one of the dinners.

It is desirable that communications on this subject should be sent early, not later than the first half of July, as the Secretaries may themselves be away. It is hoped that beginners in particular will avail themselves of the help of the officials of the Association in any matters connected with holiday plans; we have often been able in the past to give advice about guides or districts to enquirers, and to suggest plans.

The attention of members is drawn to the numerous excursions and climbs which are arranged by all the Sections of the S.A.C., and which afford an opportunity of some extraordinary good climbs at a very moderate cost. Although perhaps it is preferable to climb with one's own Section, one can always join a climb of another Section—and further, one can always be assured of a very hearty welcome. For those who want to cut down expenses these Section climbs should prove invaluable.

Further details may be obtained from the Hon. Treasurer; but members will probably be interested more particularly in the following:—

July 18-19	Rottal-Jungfrau-Jungfrauoch.
Aug. 15-16	Aletschorn.
Sept. 5-7	Gr. Fiescherhorn-Finsteraarhorn.

Unless otherwise stated the cost is given in Swiss francs, but, as it generally includes transport from headquarters of the Section to the locality of the climb, a reduction can generally be allowed for if the member is already in the particular district. Adequate notice, of course, must always be given to the Secretary of the Section. For the more severe climbs the party must not exceed 12 climbers.

The above list gives all the major climbs in the high season. Minor climbs are given in more detail in the Section programmes. As only one guide is usually taken on these Section climbs, the major ones should not be attempted by inexperienced climbers, but only by those who would be competent to join a guideless party.

SUNDAY WALKS.—If members are desirous of arranging a training walk at any time, the Hon. Secretaries will always be very glad to put them in touch with others similarly inclined, whenever possible. Such members should communicate with one of the Hon. Secretaries not later than the previous Wednesday.

INSURANCE AGAINST ACCIDENTS.

The Swiss Alpine Club have renewed their contract with a number of Swiss Insurance Companies for three years from the 1st January, 1936, with a few slight modifications as compared with the 1932/35 contract. The sum assured varies according to the sections. With some it is 10,000 francs, with others 8,000 francs, payable at death, or proportionately for permanent or temporary disablement.

The Insurance covers accidents in the Central European Alps, the Jura, Pyrenees, Apennines, Carpathians, Vosges, Black Forest, England, Scotland and Wales, but it does not cover Norway, Himalayas, etc.

The benefit of the insurance can now only be paid to wife and children, grandchildren, parents, and brothers or sisters, and the benefits cannot be assigned to, or claimed by, any other parties.

Additional policies can be obtained:

(a) For payment of 3 francs, to bring up the insurance for death or permanent disablement from 8,000 to 10,000 francs for climbing accidents only.

(b) 3 francs to secure the same benefits as above for ski accidents.

It should be noted that ski accidents in the first place do not cover jumping, or accidents occurring while the insured is taking part in any sporting event, and that the accident must be part of a genuine ski run, *i.e.* when skis are used as a means of transport in what may be considered a mountaineering expedition.

Additional premiums of:

8.20 francs will cover 3 francs daily during temporary disablement, starting from the eighth day and up to one year, but the amount will depend on the degree of disablement and not exceed 3 francs.

9.40 francs will cover medical expenses up to 3 francs per day, limited to 300 francs.

14.60 francs will cover medical expenses and a daily allowance on the above scales.

There may be various combinations of the above, or even doubling or trebling of one particular form of insurance.

All these various combinations are set forth in the issue of "Die Alpen" December, 1934.

In no case are expenses of a rescue party or transport covered by insurance.

Neither the Association nor individual members can accept any liability for the above brief particulars of insurance. For full terms of the contract of insurance members are referred to the issue of "Die Alpen," January, 1936—printed in French.

THE ANNUAL DINNER.

The Annual Dinner was held on Wednesday, November 27th, 1935, at the Hotel Great Central. The President was in the Chair and nearly 100 members and guests were present. The guests of the Association were: His Excellency the Swiss Minister (Monsieur C. R. Paravicini); Sir Claud Schuster, G.C.B., C.V.O.; Mr. E. S. Herbert (Hon. Secretary of the Alpine Club); Dr. T. G. Longstaff (President of the Climbers Club); Mr. G. K. Rose, M.C.; Mr. J. C. B. Gamlen, M.C.; and the President of the City Swiss Club.

The Toast List was as follows: "The King"; "The Swiss Confederation," proposed by Mr. W. M. Roberts and replied to by the Swiss Minister; "The Alpine Club and Kindred Societies," proposed by Mr. G. C. Bramley and replied to by Mr. E. S. Herbert; "The Guests," proposed by the President and replied to by Sir Claud Schuster; and "The Association," proposed by Mr. G. K. Rose and replied to by the President.

RULES

1. NAME.

The name of the Association shall be "THE ASSOCIATION OF BRITISH MEMBERS OF THE SWISS ALPINE CLUB."

2. OBJECTS.

The objects of the Association shall be:—

- (a) To encourage British Alpinists to support the Swiss Alpine Club in all its work by becoming members of a Section of that body.
- (b) To collect funds for the building or maintenance of S.A.C. Huts, and for such other purposes as the Committee may from time to time determine.
- (c) To form a body able to present a collective opinion to the S.A.C. on any question of Alpine interest.
- (d) To promote among British climbers a spirit of sociability, and in particular to provide a common meeting ground in London or elsewhere.
- (e) To initiate and co-operate in any movement that may tend to increase the membership of the S.A.C. and of this Association.

3. CONSTITUTION.

The Association shall consist of (1) Ordinary Members and (2) Honorary Members.

Ordinary Members shall be divided into two classes (a) Town and (b) Country. Town Members shall be those who reside within a radius of 50 miles of Charing Cross. Country Members shall be those who reside outside that radius.

The qualification for ordinary membership shall be membership of some section of the S.A.C. The election of Ordinary Members shall be absolutely under the control of the Committee.

Honorary Members shall be elected by the Committee at their discretion.

4. SUBSCRIPTION.

The subscription to the Association shall be £1 per annum for Town Members and 10/- per annum for Country Members, the first subscription to be payable at election and subsequent subscriptions on the 1st January in each year. Any Member whose subscription shall not have been paid on or before the 1st March shall cease to be a Member of the Association but may be reinstated on payment of arrears at the discretion of the Committee. Any Member joining after the 1st November shall not be required to pay his subscription for the ensuing year.

The payment of £8 8s. 0d. in the case of Town Members and £4 4s. 0d. in the case of Country Members shall constitute Life Membership.

For those elected BEFORE 1921 it shall be optional whether they pay 5/-, 10/- or £1 subscription, or £2 2s. 0d., £4 4s. 0d. or £8 8s. 0d. for Life Membership. For those elected AFTER 31st December, 1920, but BEFORE the 1st of January, 1930, it shall be optional whether they pay 10/- or £1 subscription or £4 4s. 0d. or £8 8s. 0d. for Life Membership.

5. MEETINGS.

- (b) The Committee, on the requisition of twelve members, shall at any time call a Special General Meeting, provided that seven clear days' notice be given to all Members of such a Special General Meeting, together with full information as to the place, time, and business to be transacted.

6. COMMITTEE.

The Management of the Association shall be vested in a Committee to be elected at the Annual General Meeting and to hold office from the 1st January following. The Committee shall consist of ex-officio Members, Ordinary Members, and such extra Members, not exceeding three, as may be co-opted in the manner hereinafter provided.

- (a) The ex-officio Members shall be the officers of the Association for the time being, viz.:

President,
Vice-Presidents,
Two Hon. Secretaries.
Hon. Treasurer,
Hon. Librarian,
Hon. Solicitor;

who shall be elected at the Annual General Meeting, provided that the President shall not serve for longer than three years in succession.

- (b) The Ordinary Members of the Committee shall be 12 in number. One-third of them shall retire annually, and shall not be eligible for re-election until after one year has elapsed. The Committee may co-opt not more than three additional Members, one of whom must retire yearly; the mode of election and manner of retirement to rest with the Committee. Five Members shall constitute a quorum. The Committee may suggest names for Officers and Committee, but this is not to be taken as precluding any two Members from nominating candidates, whose consent, however, must be previously obtained.

At least three weeks' notice of the Annual Meeting shall be given to every Member; and nominations for Officers and Committee must be sent in to the Secretaries at least ten days before the Annual Meeting. In the event of more candidates being nominated than there are vacancies the election shall be by ballot.

7. POWERS OF THE COMMITTEE.

- (a) The Committee may, by a two-thirds majority of those present, remove the name of any Member from the list of Members if they consider his conduct to be incompatible with membership of the Association; but such person shall have the right of appeal to the next Annual or Special General Meeting, which shall have the power of annulling, by a two-thirds majority of those present and voting, the decision of the Committee.
- (b) The Committee shall have power to submit any proposal affecting the Association to an Annual or Special General Meeting of the Members of the Association.
- (c) The Committee shall have power to increase the number of Officers by two.

8. ACCOUNTS.

The Accounts of the Association shall be audited in January and presented by the Hon. Treasurer at the next General Meeting of the Association, and shall be published with the Annual Report.

9. CASUAL VACANCIES.

The Committee shall have power to fill up casual vacancies amongst the Officers or Committee; and those chosen shall serve for the unexpired period of office for which the Members whom they succeed were respectively elected.

10. ROOM FOR MEETINGS AND LIBRARY.

The Chair, whether at a General Meeting or at a Meeting of the Committee, shall be taken by the President of the Association, or in his absence by one of the Vice-Presidents. In the absence of the President and Vice-Presidents, the Meeting shall elect a Chairman from among the Members present. The Chairman shall, in case of an equality of votes have a second or casting vote.

15. RETIRED LIFE MEMBERS.
